**IMPORTANT INFORMATION REGARDING SPECTATORS**  
**Youth Combined National - Tailgate Viewing Party**

Dear Participants and Families,

We have good news! Since the [announcement made this weekend](#) regarding capacity limits at the host facilities, we have worked with our climbing partners to find an innovative solution.

**At Le Crux**

We are pleased to inform you all that there will be an outdoor Tailgate Viewing Party offered at Le Crux on May 19-21. The viewing party will take place right outside the facility, under a big tent. Two screens will be showing the entirety of the climbing event LIVE! There will be room to host 200 seating spectators under the tent, creating what will surely be a not-to-miss experience!

**At Canyon**

After reviewing the capacity in the facility, we are pleased to inform you that there will be some standing and seating options inside Canyon to view the competition, as well as an outdoor Tailgate Viewing Party, on May 22-23! Same as above, we will have two screens showing the entire event LIVE! The outdoor party will host 100 seated spectators, while we have a potential of 180 additional places inside. It will be free to enter during Qualifiers, on a first come first serve basis, and additional tickets will be made available shortly for Semis and Finals.

**Tickets**

If you have purchased tickets for semis and finals, but after qualification, decide that you will not be using those tickets, please speak to the facility staff. We will provide refunds for these tickets and put these tickets back into the system to allow for other spectators to purchase them.

**Questions or Complaints**

We understand that many would prefer to watch the competition live and indoors, however we hope that these alternatives will provide a safe compromise for spectators and participants alike. Should you have any concerns, please, do not contact the climbing facility, and instead contact the CEC. The CEC is the responsible party in developing these regulations, and know that we are working hard with Le Crux and Canyon to find solutions. Should you desire to voice your opinion, please contact Sebastian Powell at [competition@climbingcanada.ca](mailto:competition@climbingcanada.ca)

We sincerely look forward to the event next week! The addition of a Viewing Tailgate Party is a sure not to miss opportunity!!

Sincerely  
The CEC Staff
