HEAD BELAYER

Job description

Under the direction of the Technical Delegate, the role of the head belayer is to schedule, train and monitor the belayers for the event. They will ensure that all the belayers are managing all the risks appropriately, this includes but not limited to belay technique, catching of falls, and rope management. They will be responsible for training new belayers for the event on competition style belaying. The head belayer will work directly with other CEC officials, including the setting team to help identify any risk and hazards. This can include the addition of mandatory clipping holds. During the competition, the head belayer will assign belayers to the appropriate routes/categories. They will be expected to arrive at the competition a minimum of one day before the first day of the lead portion of the competition.

For the speed portion, the head belayer will be responsible for supervising and training of the clippers for the auto belayers.

Experience and skills

Successful candidates will have the following experience and skills:

- Previous experience as head belayer at any sanctioned event, either provincially or nationally
- Preference given to those candidates with experience training new belayers
- A minimum of 2 years experience of competition belaying
- Successful candidates must pass a lead check at the hosting facility

COMPENSATION

Compensation includes:

- Accommodation as booked and/or approved by the CEC Coordinator
 - Successful candidates are expected to share a double occupancy room with another official of the same gender identification
- Food per diem (\$40/working day)
- Daily Contract fee as follows:

	NACS	CEC Events	Perdiem
Head Belay	\$ 300.00	\$ 225.00	\$ 40.00
