- 5.1 To participate in CEC-sanctioned events, Foreign National Participants must follow these steps:
 - a. Candidates must apply to CEC to be invited and must be recommended by the affiliated National Federation (NF) that they are a member of if applicable. Applications must be submitted 2 months in advance of an event. Invitations will be sent to selected athletes within 30 days of the event start date
 - b. If accepted, candidates must complete all required registration steps, as directed by CEC.
 - c. Candidates must purchase a CEC International License, the fee for which is set by the CEC board of directors and may be adjusted from time to time.
- 5.1.1 Candidates do not need to qualify through a Provincial or Territorial Sport Organization (PTSO). They are automatically accepted into the event by CEC, once approved and invited by CEC.
- 5.2 The decision to invite Foreign National Participants will be the responsibility of the CEC High Performance Committee (HPC). The following factors will be considered, in order of priority:

Do they contribute in some way outside of the competition to the Canadian competition climbing community? Evidence: living in Canada. Involved in organization in some capacity. On the local team. Length of time in Canada.

6. Implementation

6.1 Event Competition Format

- 6.1.1 Foreign National Participants will be considered as "extra-quotas" for the Semi and Final Rounds of a competition (boulder and lead). For every FN participant qualifying for the above-mentioned rounds, an equivalent of Canadian participants will be added to the round, based on ranking. For example, in a Semi final round of 20, where 2 FN participants qualified, the next 2 ranked-Canadian participants would be added, regardless of how many other FN participants ranked after 20 and between the next 2 Canadian participants.

6.2 Award Ceremony

- 6.2.1 Following the results of a competition, and prior to the Award Ceremony, final podium rankings will be produced as follows:
 - a. Event Podium: Gold, Silver, Bronze from all athletes in attendance
 - b. Canadian Podium: Gold, Silver, Bronze from all Canadian Citizens and Canadian Residents athletes in attendance

- 6.2.2 Should both podiums be the same, only one Award Ceremony will take place.
- 6.2.3 If podiums are different, the Award Ceremony will take place in two steps, with the following distribution of the Award package:
 - a. Event Podium with distribution of Event Trophy and Cash Prizes
 - b. Canadian Podium with distribution of Event Medals and Sponsors Prizes (if any)

6.3 Continuous National Ranking (CNR)

- 6.3.1 CNR points will be allocated only to Canadian Citizen Athletes.
- 6.3.2 Following the completion of every CNR eligible events, a new ranking will be produced including only results from Canadian Citizen Athletes. This ranking will exclude results from Canadian Residents, Temporary Residents, and Affiliated Participants.
- 6.3.3 For example: if an Affiliated Participant finishes 3rd at CEC Nationals, the 4th place Canadian Citizen athlete will be assigned 3rd place points for the event. All other Canadian Citizen athletes will also move up accordingly.

7. Further Considerations

- 7.1 Canadian Residents in the process of obtaining their Canadian Citizenship and interested in being considered for the Continuous National Ranking can contact CEC for support.
- 7.2 Sport Canada, through their Athletes Assistance Program, can, in some cases, put in a request for accelerated citizenship considerations.
- 7.3 All request should be directed to the CEC High-Performance Director at hpd@climbingcanada.ca
