Call for Nominations of CEC Board Members

June 28, 2023

Climbing Escalade Canada (“CEC”) is seeking candidates for positions on the board of directors (“Board”) for the upcoming year.

The primary function of the Board is to supervise the management of the business and affairs of the CEC. The CEC seeks to put forward and develop a Board with a diverse skill set and a broad range of experiences in various areas and professional sectors. Successful applicants will have a range of skills and experiences which may cover areas like not-for-profit organizations, provincial or national sports organizations, finance, legal, accounting, risk other directorships, corporate governance, marketing, fund-raising and information technology.

For the 2023 – 2024 year, CEC is particularly interested in finding directors with experience in accounting (ideally CPA), fund raising, external communications, risk, and grassroots/community development. We are also seeking diverse candidates, in particular gender and self-identified diversity (e.g., racial, LGBTQIA2S+, disability).

The CEC Board Nominations Committee will be reviewing the applications and making recommendations to the Board. The Board will put forward the names of recommended director nominees to the CEC’s voting Members (the Alpine Club of Canada, the Fédération québécoise de montagne et d’escalade, Sport Climbing BC, Alberta Climbing Association, Ontario Climbing Federation, Climb Yukon, and Climb Manitoba). The CEC’s voting Members will elect individuals to the CEC Board at the CEC’s Annual General Meeting which will be held virtually on September 26, 2023.

The CEC will also be seeking nominations from athletes who wish to serve as directors and represent the voice of athletes at the board level. The athlete representatives on the board will be elected by their fellow athletes. Details on the nomination and election process for athlete directors will be shared shortly.
