### Members at-large

For the 2024 – 2025 year, CEC is particularly interested in finding directors with experience in Grants writing, Legal Support, and IT Advice. We are also seeking diverse candidates, particularly gender and self-identified diversity (e.g., racial, LGBTQIA2S+, disability), as well as bilingual candidates.

### Athletes Representative

The CEC is proud to have two athletes sitting on the Board of Directors. One of the two positions is up for election each year. This year, we are seeking nominations from a male athlete who wish to serve as directors and represent the voice of athletes at the board level. The athlete representatives on the board will be elected by their fellow athletes. The CEC is currently accepting nominations, and details on the election process will be shared shortly.

### Slate & Elections

The CEC Board Nominations Committee will be reviewing the applications and making recommendations to the Board. The Board will put forward the recommended director nominees' names to the CEC's voting Members. The CEC's voting Members will elect individuals to the CEC Board at the CEC's Annual General Meeting, which will be held virtually on September 24, 2024.

Interested applicants (members at-large and male athlete representative) should send an application package consisting of a cover letter, resume or bio with references to the CEC Nominations Committee at the address below. All applicants must be over 18.
